Projects

Dare to Learn - Lean Service Creation Workshop

Tampere3 Consortium 9/2017

I helped to facilitate intensive, Futurice led, two-hour Lean Service Creation workshop for educators on Smart Campus in Dare to Learn festival at Kaapeli Tehdas.

Living Lab Bus - Student Software Competition

University of Tampere 4/2017 – 6/2017

Kiva kaupunki app concept for Living Lab Bus portal for bus users. In which users tag locations they enjoy and places that need attention from city planning. We placed on shared first place.
